DEFINITION OF TABS

Account Info About Us Certifications Promotions Asked & Answered Journals Highlights Additional Profiles

Account Info- Your agency's essential business information, including your specialties, preferred suppliers, travel styles, experience, business model, etc.

About Us- This is your digital biography. Tell clients who you are as a travel professional, your experience, title and the types of travel you specialize in.

Certifications- Showcase your travel industry certifications, training, and professional credentials.

Promotions- Share current promotions, special offers, and exclusive travel deals available to your clients.

Asked & Answered- This is your FAQ section. Answer common questions about your services, specialties, etc.

Journal- Share your travel stories, destination insights, trip experiences, and helpful tips through your blog.

Travel Highlights- Showcase photos and videos from your travels and client experiences to give potential clients a glimpse of what you can help them experience.

Additional Profiles (Coming Soon)- Create additional profiles to highlight different travel specialties, services, and other professional titles you offer.

To publish your profile, you must complete the following information:
Logo/Photo, Title, About Us, and My Travel Specialties (Destinations, Travel Styles, and Preferred Suppliers).

Please note: To upgrade your profile, please see the "Plans" section on your Dashboard
